

Participación en el "International Botanical Congress" Madrid, 2024

25/07/2024

Amplia participación del Departamento de Botánica de la Universidad de Granada en el International Botanical Congress -the 20th IBC, Madrid (Spain), 21-27 July 2024

Organización de simposios:

1. FLORAL SPECIALIZATION AND THE GENERALISED NATURE OF POLLINATION INTERACTIONS. Organizers: **Rocío Pérez-Barrales**, Mohamed Abdelaziz, Jeff Ollerton.
2. ECOLOGY, EVOLUTION AND GENETICS OF STYLAR POLYMORPHISMS: LINKING FORM & FUNCTION. Organizers: Victoria Ferrero Vaquero, **Rocío Pérez-Barrales**.
3. ETHNOBOTANY AND CONSERVATION OF MEDICINAL PLANTS. SESSIONS 1, 2, 3, 4, and 5. Organizers: Manuel Pardo de Santayana, **Guillermo Benítez Cruz**, Airy Gras Más
4. PATTERNS AND PROCESSES DRIVING CLIFF PLANT COMMUNITIES: APPROACHES FOR THE CONSERVATION OF ENDEMIC CLIFF FLORA. SESSIONS 1 and 2. Organizers: Martí March Salas, **Juan Lorite Moreno**, Pablo Tejero Ibarra

Comunicaciones orales:

- 1.

- Unraveling the evolutionary history of island floras on the world's most isolated archipelagos. Authors: Á. Aguado-Lara, I. Sanmartín, J. Le Roux, **C. García-Verdugo**, S. Molino, B. Jansen van Vuuren, M. Mairal.
2. Natural drivers leading Conifers to extinction. Authors: **E.M. Cañadas**, G. Calderisi, **J. Lorite**, D. Cogoni, G. Fenu.
 3. Diversification and conservation of species and spaces in Macaronesia: an example from the endemic flora of Gran Canaria. Authors: J. Caujapé-Castells, I. Saro, R. Jaén-Molina, A. Díaz Pérez, Av. Suárez-Pérez, I. Guillerme-Vázquez, M.A. González-Pérez, **C. García-Verdugo**, I. Sanmartín, J. Fuertes, M. Romeiras, R. Nebot, D. Reyes, A. Curbelo, C. Caraballo.
 4. Airborne pollen trends in the Iberian Peninsula during the last three decades: flowering timing and intensity. Authors: C. Galán, J. Oteros, H. García-Mozo, F. Aguilera, M. Jesús Aira, J. Belmonte, **P. Cariñanos**, D. Fernández-González, M. Fernández-González, S. Fernández-Rodríguez, M. Gutiérrez-Bustillo, B. Lara, **C. De Linares**, S. Moreno-Grau, J. M. Moreno-Grau, R. Pérez-Badía, A. Picornell, A. Rodríguez Fernández, J. Rodríguez Rajo, J. Rojo, Luís Ruiz-Valenzuela, M.M. Trigo, P. Alcázar.
 5. Ecology and conservation of cliff-plant communities under increasing climatic and human pressures. Authors: M. March-Salas; F. Morales Armijo; **J. Lorite**
 6. Sustainability of medicinal plants gathering in Spain: cultural importance, availability, and conservation status. Authors: J. Mateo-Martín, **G. Benítez**, A. Gras, M. Molina, V. ReyesGarcía, J. Tardío, A. Verde, M. Pardo-de-Santayana
 7. Flower trait evolution and pollination sharing in a community context. . Author: **R. Pérez-Barrales**.
 8. Impact of climate change on plant phenology in a Mediterranean mountain (Sierra Nevada, SE Spain) using herbarium specimens. Authors: **K.V. Rondinel-Mendoza**, Matilde García-Valdecasas Ojeda, **E. Cañadas**, **J. Lorite**.
 9. Patterns of evolutionary diversification in cliff-associated plants. Authors: S. Vlajos-Gómez, P. Tejero, S. Palacio, **J. Lorite**, M. March-Salas.
 10. First global assessment of an edaphic endemic flora: diversity, main features and conservation status of the world gypsum flora. **Authors:** S. Palacio, J.P. Ortiz-Brunel, P. Tejero, M.J. Moore, F. Pérez-García, M. Hilda Flores, H. Ochoterena, J.F. Mota, S. Bueno, Latif Kurt, G.A. Lazkov, M.N. Lyons, E. Ozdeniz, A.V. Pavlenko, A. Prina, K. Shaltout, K.F. Shomurodov, B. Khabibullaev, K. Bobokalonov, M. Boboev, S. Siebert, M.T., H. Akhiani, A. Cera, G. Chrysostomou, A. Escudero, F. Martínez-Hernández, F. Memariani, **A. Mendoza-Fernández**, E. Merlo, C.M. Musarella, E. Salmerón-Sánchez, S.A. Smith, G. Spampinato, I. Vogiatziakis, A. Rudov.
 11. Advances in the systematics of genus *Ternstroemia* Mutis ex L.f. (*Pentaphragaceae* s.l.): Towards a taxonomic monograph. **J.R. Grande**.

Posters:

1. Altitudinal and climatic adaptation in flowering initiation phenology in *Linum bienne* Mill.
Authors: **M. Marín-Rodulfo, J.R. Grande Allende, Isabel Martín-Girela**, Sofía Moreno de la Cuesta¹, C.J. Almeida Valido, E. de la Peña, **R. Pérez-Barrales**
2. Distribution patterns and phenology in *Linum bienne* Mill.: Towards an understanding of its adaptation to the local environment
Authors: **J.R. Grande**, B. Landoni, M. Marín-Rodulfo, C. López, C. Almeida, **R. Pérez-Barrales**.
3. Genetics, morphometrics and ionomics evidence of hybridization between *Limonium estevei* and *Limonium cossonianum* in Playa Macenas. Authors: L. Miranda Hernández, M.E. Merlo Calvente, M. Jesús Fernández Cobo, C. Salazar Mendías, **A. J. Mendoza Fernández**, F. Martínez Hernández, F.J. Pérez García, **J. Peñas de Giles**, E. Salmerón Sánchez, J.F. Mota Poveda.
4. American *Ternstroemia*: A State of the Art. **J.R. Grande**. A. Fonseca-Cortés, F. Nunes Cabral, Y.C. Barrios, T. Mouzinho, L. Castillo, R.Y. Gutiérrez, L. Martínez.
